2019 Southern California Weekend Children's Camp Service Instructions

Dear saints,

Thank you for volunteering to serve during the 2019 Southern California Weekend Children's Camp. Praise the Lord for this opportunity to serve and be blended together! We hope that we all would view this time not simply as childcare, but as a time for the Lord to prepare young vessels that would become useful to Him for His purpose. May we love and serve the children with an exercised spirit, exhibiting the humanity of Jesus.

We want to use this time to cooperate with the Lord to raise up the next generation for the church life. For this, we want to be those sharing the same vision, to be in one accord, to be of the same heart so that the children see in us a pattern of someone that lives the divine life expressed in the human life.

General Principles for Your Service

1. Please refer to the children by their name. Don't call them brother or sister as they have not yet been regenerated. Don't introduce yourself as "I am brother..." It is better to tell them you are "Mr.", "Mrs." or "Miss" to promote respect towards adults.
2. Never go to the bathroom with just one child. If you need to take a child to the bathroom, always take more than one child with you and notify the other serving ones that you will take some children to the bathroom.
3. We are serving in coordination. Do not change the schedule or the activities. Always have fellowship with those serving with you. Do not be offended if others correct you.
4. Although we promote blending with the saints, we ask you not to engage in long conversations with the serving ones. Remember that your function is to serve the children. Use this time to engage with and care for the children.
5. Be flexible and willing to serve in any area that is needed, not just the one you like or are assigned to.
6. Never touch, grab or physically discipline a child.
7. Speak to the children in love. If a child needs to be corrected and you lack the necessary grace, please refer this situation to the serving ones in charge of your group. We are not in the position to discipline a child in any way, simply provide positive instructions.
8. Never let a child wander off alone. All children should remain with their groups during the entire session and should never leave the building or the classroom without your immediate supervision.
9. Enjoy the Lord and cherish the children in your service!

Overview

The Weekend Children's Camp is for children over 5 years old and in K-6th grades. The camp will be conducted at 1853 West Ball Road, Anaheim, California 92804 on Saturday, June 9 from 4pm-9:30pm and Lord's Day, June 10 from 10am-12:30pm. Serving ones will need to arrive earlier for orientation and stay later to ensure all children are properly cared for and returned to their parents.

Arrival and Parking

When you arrive, please park on the far west side of the parking lot (when you are entering the property, that will be the far left side). Do not park in any of the spots directly adjacent to the building. This will enable us to reserve parking spots closer to the main entrances for saints that are coming to drop-off or pick-up their children.

Sign-in Time and Orientation for Serving Ones

Before we begin our service, we will have a time of prayer and orientation. Orientation times are as follows:

Saturday - 2:30pm

Lord's Day - 8:30am

Please be exercised to arrive on time or early for the orientation so that we can have a good time of prayer and orientation before the service begins.

All orientation times will be held downstairs in Room C104 (see map). You may directly enter the room from the north side of the building, using the double doors. Serving saints that are bringing K-6th grade children may bring their children with them to the orientation. We will have a table in Room C104 with simple activities that the children can do while we have the orientation.

If any saints arrive after the orientation has concluded, they should proceed to the 2nd floor and sign-in at the serving one's sign in table underneath the clock in the main room and receive a name-badge and verify your class assignment before proceeding to your assigned classroom.

Serving One Assignments

All serving saints will be assigned to a specific area of service prior to arriving for the service. Areas of service include, but are not limited to: Kindergarten, 1st, 2nd, 3rd, 4th, 5th, or 6th grade classes, parking/ushering/cleaning, registration and sign-in/out, singing/story time leader, and music service. If you have not received your assignment, check with the sign-in saints to receive your assignment.

Schedule

Serving ones are expected to arrive at the designated orientation time and serve until all of the children in their assigned level have been picked up by their parents. Serving saints must serve for the entire session that they sign up for. The service will last from *roughly* 2:30pm – 9:30pm

on Saturday, and 8:30am - 1pm on Lord's Day. Please see the attached schedule for a more detailed breakdown of the service time and activities.

Levels

Children will be grouped into one of 4 levels/classrooms: K-1, 2-3, 4-5, and 6th grade. Within those groups, the children will be seated at tables according to their grade. See attached map for details.

Table time

As children are signed-in, they will be guided to their classrooms on the second floor and will sit, according to their grade, at tables containing coloring sheets and other activities. Serving ones should use this time to shepherd the children and get to know them. Please try to maintain a ratio of at least 1:6 serving ones to children per table. This ratio can be adjusted depending on the need. We would like each serving one to take care of and be responsible for the children they are put with during table time for the rest of the session. We want all of the children to be accounted for at all times.

Singing

Every level will have a singing time. The 6th graders will their singing time in CW304. All other levels will have their singing times in C104. Singing time is crucial time to "warm up" the children and prepare them for the lesson and we would strongly encourage all of the serving ones to join in and sing with the children. The goal is for the children to enjoy this time and be happy. Please intersperse yourselves with the children in the rows, rather than congregating at the end of the rows or behind the children.

In preparation for the singing time, please arrange for all the children to use the restroom **before** the singing time. This will minimize disruptions during the singing and story.

The designated team of core saints will coordinate to pick the songs, provide for any projection of the songs, assign guitar players (if needed), and help lead the singing. The songs that will be sung are included at the end of this packet.

Story

The story/lesson time will be conducted by level in room C101. There will be a team of serving saints from each level who will prepare to give this lesson to the class.

Crafts

The core saints for each level will coordinate to choose a craft. General craft supplies such as tape, glue, scissors, crayons, and construction paper will be provided. Any additional materials for your craft will need to be provided by the serving saints. If any additional materials are needed for the craft, the core saints will contact you in advance concerning what to bring.

Snacks/Meals

Dinner will be provided for the children and serving saints on Saturday. A hearty snack/meal will be provided on Lord's Day. A simple take-home snack will also be provided when the children are picked up by their parents. Please be aware of any children under your care that have allergies and ensure that they do not receive a dangerous food-substance and instead receive an alternate snack.

Activities/Group Times

There will be an allotted time for "Group Time/Activity Time" during which the children can participate in some prearranged games and activities. The core saints will help choose these activities beforehand and help carry them out during the session. During these times, the general serving saints in the classroom may be asked to help lead the children in these games, based on the instructions of the core serving saints. Please be willing to follow instructions and to help the children participate.

Ushers and Class Movement

Each class will be moving around the facility for various camp functions. There will be ushers to provide security and help guide the children to and from the various locations, as needed. Please follow their guidance. Also, make sure the children are counted and accounted for upon leaving and arriving at a new destination.

Sign-in Time for Children

Children may be signed-in beginning 45 minutes before the start-time of the conference meetings.

Registration and Sign-in/Sign-out

There will be a dedicated registration and sign-in/sign-out team to receive and sign-in the children. This registration team will use a check-in/check-out procedure that requires each child to wear a wristband ID that connects them to their parents.

Sign-out Time for Children

Parents may come to sign-out their child at any time, but most will come immediately after the meetings are dismissed. Only parents and legal guardians will be allowed to drop off or pick up their children. Parents are NOT allowed to enter the classrooms. Serving ones that are directly caring for the children in the classrooms should never release a child directly to their parents. Instead, all parents will be required to visit the sign-in/sign-out table and present matching ID or other means for verifying identification before the child is released by the serving ones. Once the saints serving on sign-in/sign-out have verified the parent's identity, the children will be taken to their parents by ushers. Please strictly adhere to this policy so that we can ensure all of the children are safely returned to their parents.

Coordinators

These brothers are helping to head up different aspects of the service. If you have any questions, before or during the service, please direct them to the core saints you are serving with, or to one of these brothers.
